1. GENERAL OVERVIEW

- 1.1** The Harmony Community Development District (the “District”) was created by law, established pursuant to the provisions of Chapter 190, Florida Statutes, to provide for the management and financing of various systems, facilities, and services within its jurisdiction. The purpose of these rules and policies (the “Rules”) is to describe the general operations of the District.
- 1.2** Definitions located within any section of these Rules shall be applicable within all other sections, unless specifically stated to the contrary.

Chapter 1, Section 1

Specific Authority: 190.011, 120.53(4)
Law Implemented: 190.011, 120.53(4)

2. BOARD OF SUPERVISORS; OFFICERS AND VOTING

- 2.1 Board of Supervisors.** The Board of Supervisors of the District (the “Board”) shall exercise the powers granted to the District. The Board shall consist of five members. Members of the Board must be residents of Florida, citizens of the United States, and residents and registered voters of the Harmony CDD.
- 2.2 Term of Officers.** Board members shall hold office pursuant to Section 190.006, Florida Statutes. If, during the term of office of any Board member(s), one or more vacancies occur, the remaining member(s) of the Board shall fill the vacancies by appointment for the remainder of the unexpired term(s).
- 2.3 Vacancies: Quorum.** Three members of the Board physically present in the same location shall constitute a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. However, if three or more vacancies occur at the same time, a quorum is not necessary to fill the vacancies. Action taken by the Board shall be upon a majority vote of the members present {physically or by phone}, unless otherwise provided in these Rules or required by law. Members of the Board, as well as staff or employees of the District may be present by telephone, provided that quorum is present at the meeting location and that such telephone attendance is accomplished by speaker so that all present may hear and respond to the comments of the party attending by telephone. Nothing herein shall require the District to permit members of the public to attend a Board meeting by telephone.
- 2.4 Officers.** At any Board meeting held after each election where the newly elected members take office, the Board must select a chair, treasurer, and secretary. The Board may also select a vice chair, assistant treasurers, and assistant secretaries. Such selection may be deferred to subsequent meetings.
- 2.4.1 The Chair** must be a member of the Board. If the chair resigns from that office or ceases to be a member of the Board, the Board shall select a chair to serve the remaining portion of the term, after filling the Board vacancy. The chair may be authorized to sign checks and warrants for the District, countersigned by the treasurer or other persons authorized by the Board. The chair may convene and conduct all meetings of the Board. In the event the chair is unable to attend a meeting, the vice chair or other member of the Board may convene and conduct the meeting.
- 2.4.2 The Vice Chair** shall be a member of the Board and shall have such duties and responsibilities as specifically designated by the Board from time to time. If the vice chair resigns from that office or ceases to be a member of the Board, the Board shall select a vice chair to serve the remainder of the term, after filling the Board vacancy.
- 2.4.3 The Secretary** of the Board serves at the pleasure of the Board and need not be a member of the Board. The secretary shall be responsible for maintaining the minutes of Board meetings and may have other duties assigned by the Board from time to time. The District Manager may serve as secretary.
- 2.4.4 The Treasurer** need not be a member of the Board but must be a resident of Florida. The treasurer shall perform duties described in Sections 190.007(2) and (3), Florida Statutes, as well as those assigned by the Board from time to time. The treasurer shall serve at the pleasure of the Board.

- 2.5 Committees.** The Board may establish committees of the Board by formal motion referencing this rule, either on a permanent or temporary basis, to perform specifically designated functions. Committees may include individuals who are not members of the Board. Such functions may include, but are not limited to, contract negotiations, personnel matters, and budget preparation.
- 2.6 Record Book.** The Board shall keep a permanent record book entitled “Record of Proceedings of the Harmony Community Development District,” in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, bonds, and corporate acts.
- 2.7 Meetings.** The Board shall establish a schedule of regular meetings and may also meet upon call of the chair or three Board members. Nothing herein shall prevent the Board from holding other meetings as it deems necessary or from canceling any regularly scheduled meetings. A previously noticed regular meeting may be canceled, provided that notice of cancellation shall be given in substantially the same manner as notice for the meeting or in such other manner as may provide substantially equivalent notice of cancellation. All meetings of the Board shall be open to the public and governed by the provisions of Chapter 286, Florida Statutes.
- 2.8 Voting Conflict of Interest.** The Board shall comply with Section 112.3143, Florida Statutes, so as to ensure the proper disclosure of conflicts of interests on matters coming before the Board for a vote. Nothing in this Rule shall prohibit the Board member with a voting conflict of interest from voting on a matter. For the purposes of this section, “voting conflict of interest” shall be governed by Chapters 112 and 190, Florida Statutes, as amended from time to time.
- 2.8.1** When a Board member knows that he/she has a conflict of interest on a matter coming before the Board, the member should notify the Board’s secretary prior to participating in any discussion with the Board on the matter. The member shall publicly announce the conflict of interest at the meeting. This announcement shall appear in the minutes of the meeting. The member may then vote. The Board’s secretary shall prepare a memorandum of voting conflict which shall then be signed by the Board member who had the conflict.
- 2.8.2** If a Board member inadvertently votes on a matter and later learns he or she has a conflict thereon, the member shall immediately notify the Board’s secretary. Within fifteen days (15) days of the notification, the member shall file the appropriate memorandum of voting conflict which will be attached to the minutes of the Board meeting during which the vote on the matter occurred.
- 2.8.3** A memorandum submitted by an affected Board member shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the written memorandum. The Board member’s vote shall be unaffected by this filing.

4. MEETINGS AND WORKSHOPS

- 4.1 Notice.** Except in emergencies, or as otherwise provided in these Rules, at least seven (7) days public notice shall be given of any meeting or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the county in which the District is located and shall state:
- (1) The date, time, and place of the meeting or workshop;
 - (2) A brief description of the nature, subjects, and purposes of the meeting or workshop;
 - (3) The address where persons may obtain a copy of the agenda.
 - (4) If a person decides to seek review of any official decision made at the Board meeting, a record of the proceedings will be required and the person intending to appeal will need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence necessary for the appeal.
 - (5) When a previously noticed meeting is canceled, notice of cancellation shall be given in substantially the same manner as notice for the meeting, or in any manner that will give adequate notice of cancellation.
- 4.2 Agenda.** The District Manager shall prepare a notice of the meeting or workshop and an agenda. The notice and agenda shall be available to the public in the offices of the District Manager at least seven days before each meeting of the Board. Minutes shall be corrected and approved by the Board at a subsequent meeting.
- 4.3 Receipt of Notice.** Persons wishing to receive, by mail, notices or agendas of meetings, may advise the District Manager or secretary at the Board's office. Such persons shall furnish a mailing address in writing and may be required to pay the cost of copying and mailing.
- 4.4 Emergency Meeting.** The chair, or the vice chair if the chair is unavailable, may convene an emergency meeting of the Board without first having complied with **Sections 4.1, 4.2, & 4.3**, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the chair shall make reasonable efforts to notify all Board members of an emergency meeting 24 hours in advance. Reasonable efforts may include telephone notification. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date, and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.

- 4.5 Public Comment.** The Board shall provide members of the public with a reasonable opportunity to be heard on a proposition before the Board. The Board shall, at the beginning of the meeting, designate a specified period of time for public comment on the meeting agenda. The opportunity to be heard need not occur at the same meeting at which the Board takes official action on the proposition if the opportunity occurs at a meeting that is during the decision-making process and is within reasonable proximity in time before the meeting at which the Board takes the official action. The Board shall maintain orderly conduct and proper decorum in a public meeting.
- 4.5.1** Members of the public shall have three (3) minutes to address the Board.
- 4.5.2** In meetings in which a large number of individuals wish to be heard and wish to speak on the same side of a proposition before the Board, the Board may choose to allow representatives of groups or factions to address the Board on a proposition before the Board, rather than allowing all members of such groups or factions to speak individually.
- 4.5.3** Members of the public shall fill out the “Speaking Request Form” prescribed by the Board and incorporated herein by reference (shown in Appendix 1, and available on the District website via the link: [HarmonyCDD.org/Speaking-Request-Form.pdf](https://www.harmonyCDD.org/Speaking-Request-Form.pdf)), in order to inform the Board of a desire to be heard, to indicate his or her support, opposition, or neutrality on a proposition, and to speak for himself or herself, or his or her group, on a proposition if he or she so chooses.
- 4.6 Budget Hearing: Budget Amendment.** Notice of hearing on the annual budget(s) shall be in accordance with Section 190.008, Florida Statutes. Once adopted in accordance with Section 190.008, Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item. All expenditures in excess of 10% of any line item in the budget must be approved by the Board in advance of incurring such expense; however, in the case of an emergency expenditure affecting the health, safety, or welfare of the District, its residents, or landowners, such expenditures must be approved in advance by the chair, or in the absence of the chair, the vice chair.
- 4.7 Continuances.** Any meeting of the Board or any item or matter included on the agenda or coming before the Board at a noticed meeting may be continued without re-notice or re-advertising provided that the continuance is to a specified date, time, and location publicly announced at the Board meeting where the item or matter came before the Board.

5. RULEMAKING PROCEEDINGS

5.1 Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to the applicable provisions of Chapter 120, Florida Statutes, and these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District.

5.2 Notice of Rule Development.

5.2.1 Except when the intended action is the repeal of a rule, the District shall provide notice of the development of proposed rules by publication of a notice of rule development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by **Section 5.3**. The notice of rule development shall indicate the subject area to be addressed by rule development; provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and a statement of how a person may promptly obtain a copy of any preliminary draft, if available.

5.2.2 All rules should be drafted in accordance with Chapter 120, Florida Statutes.

5.3 Notice of Proceedings and Proposed Rules.

5.3.1 Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or sub-section of the Florida Statutes or the Laws of Florida being implemented, interpreted, or made specific. The notice shall include a summary of the District's statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2), Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), Florida Statutes, must do so in writing within twenty-one (21) days after publication of the notice. The notice must state the procedure for requesting a public hearing on the proposed rule unless one is otherwise scheduled. Except when the intended action is the repeal of a rule, the notice shall include a reference both to the date on which and to the place where the notice of rule development that is required by **Section 5.2** appeared.

5.3.2 The notice shall be published in a newspaper of general circulation in the county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.

5.3.3 The notice shall be mailed to all persons named in the proposed rule. Any person may file a written request with the District Manager or secretary at the Board's office to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing. Notice will then be mailed to all persons whom, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its proceedings.

- 5.4 Rule Development Workshops.** Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the District chair must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- 5.5 Petitions to Initiate Rulemaking.** All petitions for the initiation of rulemaking proceedings pursuant to Section 120.54(7), Florida Statutes, must contain the name, address, and telephone number of the Petitioner; specific action requested; specific reason for adoption, amendment, or repeal; the date submitted; and shall specify the text of the proposed rule and the facts showing that the Petitioner is regulated by the District or has a substantial interest in the rule or action requested. Petitions to initiate rulemaking shall be filed with the District. The Board shall then act on the petition in accordance with Section 120.54(7), Florida Statutes (2014), except that copies of the petition shall not be sent to the Administrative Procedures Committee, and notice may be given in a newspaper of general circulation in the county in which the District is located.
- 5.6 Rulemaking Materials.** After the publication of the notice to initiate rulemaking, the Board shall make available for public inspection and shall provide, upon request and payment of cost of copies, the following materials:
- (A) The text of the proposed rule, or any amendment or repeal of any existing rules;
 - (B) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (C) A copy of the statement of estimated regulatory costs if required by Section 120.541, Florida Statutes; and
 - (D) The published notice.
- 5.7 Rulemaking Proceedings - No Hearing.** When no hearing is requested and the Board chooses not to initiate a hearing on its own, or if a rule relates exclusively to organization, practice, or procedure, the Board may direct the proposed rule be filed with the District Office no less than twenty-eight (28) days following notice. Such direction may be given by the Board either before initiating the rule-adoption process or after the expiration of the twenty-one (21) days during which affected persons may request a hearing.
- 5.8 Rulemaking Proceedings - Hearings.** If a proposed rule does not relate exclusively to organization, practice, or procedure, the District shall provide (upon request) a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. Any affected person may request a hearing within twenty-one (21) days after the date of publication of the notice of intent to adopt, amend, or repeal a rule.
- 5.9 Request for a Public Hearing.**
- 5.9.1** A request for a public hearing shall be in writing and shall specify how the person requesting the public hearing would be affected by the proposed rule. The request shall be submitted to the District within twenty-one (21) days after notice of intent to adopt, amend, or repeal the rule is published as required by law, in accordance with the procedure for submitting requests for public hearing stated in the notice of intent to adopt, amend, or repeal the rule.

- 5.9.2** If the notice of intent to adopt, amend, or repeal a rule did not notice a public hearing and the District determines to hold a public hearing, the District shall publish notice of a public hearing in a newspaper of general circulation within the county in which the District is located at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing.
- 5.9.3** Written statements may be submitted by any person within a specified period of time prior to or following the public hearing. All timely submitted written statements shall be considered by the District and made a part of the rulemaking record.
- 5.10 Emergency Rule Adoption.** The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the county in which the District is located. Notice of emergency rules shall be published as soon as practical in a newspaper of general circulation in the county in which the District is located. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions
- 5.11 Negotiated Rulemaking.** The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54, Florida Statutes.
- 5.12 Variances and Waivers.** Variances and waivers from District rules may be granted subject to the provisions and limitations contained in Section 120.542, Florida Statutes.

6. DECISIONS DETERMINING SUBSTANTIAL INTEREST

6.1 Conduct of Proceedings. Proceedings may be held by the District in response to a written request submitted by a substantially affected person within fourteen (14) days after written notice or published notice of District action or notice of District intent to render a decision. Notice of both action taken by the District and the District’s intent to render a decision shall state the time limit for requesting a hearing and shall reference the District’s procedural rules. If a hearing is held, the chair shall designate any member of the Board (including the chair), District Manager, District General Counsel, or other person to conduct the hearing.

6.1.1 The person conducting the hearing may:

6.1.3 The District shall issue a final order within forty-five (45) days:

- (A) After the hearing is concluded, if conducted by the Board; or
- (B) After a recommended order is submitted to the Board and mailed to all parties, if the hearing is conducted by persons other than the Board; or
- (C) After the Board has received the written and oral material it has authorized to be submitted, if there has been no hearing.

6.2 Eminent Domain. After determining the need to exercise the power of eminent domain pursuant to Sub-section 190.11(11), Florida Statutes, the District shall follow those procedures prescribed in Chapters 73 and 74, Florida Statutes. 7. PROCEDURE UNDER CONSULTANTS' COMPETITIVE NEGOTIATIONS ACT

7.1 Scope. In order to comply with the requirements of Section 287.055, Florida Statutes (regarding certain types of professional services), the following set of procedures are outlined for selection of firms or individuals to provide professional services exceeding the thresholds herein described and in the negotiation of such contracts.

7.2 Definitions.

7.2.1 "Professional Services" means those services within the scope of the practice of architecture, professional engineering, landscape architecture, or registered surveying and mapping, as defined by the laws of Florida, or those performed by any architect, professional engineer, landscape architect, or registered surveyor and map-maker, in connection with the firm's or individual's professional employment or practice.

7.2.2 "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for professional services is estimated by the District to exceed the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO, as such categories may be amended from time to time by the State of Florida Department of Management Services to reflect inflation or other measures.

7.2.3 "Continuing Contract" is a contract for professional services (of a type described above), entered into in accordance with this rule, between the District and a firm whereby the firm provides professional services for the District for work of a specified nature with no time limitation, except that the contract shall provide a termination clause.

7.2.4 "Emergency Purchase" is a purchase necessitated by a sudden unexpected turn of events (e.g., acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business) where the Board decides the delay incident to competitive bidding would be detrimental to the interests of the District.

7.3 Qualifying Requirements. In order to be eligible to submit a bid or proposal, a firm or an individual, at the time of receipt of its bid, must:

- (A) Hold all required applicable state professional licenses in good standing; and
- (B) Hold all required applicable federal licenses in good standing, if any; and
- (C) If the bidder is a corporation, hold a current and active Florida corporate charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes; and
- (D) Meet any prequalification requirements set forth in the project or bid specifications. Qualification standards may include but are not limited to, capability and adequacy of personnel, past record, and experience of the bidding entity.

Evidence of compliance with these Requirements may be submitted with the bid, if requested by the District.

7.4 Public Announcement. Prior to a public announcement that professional services are required for a project, the Board shall identify the project as meeting the threshold requirement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when professional services are required for a project by publishing a notice providing a general description of the project and the method for interested consultants to apply for consideration. The notice shall appear in at least one newspaper of general circulation in the county in which the District is located and in such other places as the District deems appropriate. The District may maintain lists of persons interested in receiving such notices. These persons are encouraged to submit annually statements of qualifications and performance data. Persons who provide their name and address to the District office for inclusion on the list shall receive notices by mail or email. The Board has the right to reject any and all bids, and such reservation shall be included in the public announcement. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.

7.5 Competitive Selection.

7.5.1 The Board shall review and evaluate the data submitted in response to the notice described above regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by firms regarding their qualifications and/or public presentation, select, and list the firms, in order of preference, deemed to be the most highly capable and qualified to perform the required professional services, after considering these and other appropriate criteria as adopted by the Board for a specific type of professional service, including but not limited to the following:

- (A) The ability and adequacy of the professional personnel employed by each firm; and
- (B) Each firm's past performance for the District in other professional employment settings; and
- (C) The willingness of each firm to meet time and budget requirements; and
- (D) The geographic location of each firm's headquarters or office in relation to the project; and
- (E) The recent, current, and projected workloads of each firm; and
- (F) The volume of work previously awarded to each firm; and
- (G) Whether a firm is a certified minority business enterprise.

7.5.2 Nothing in these rules shall prevent the District from evaluating and eventually selecting a firm if fewer than three responses, including responses indicating a desire not to submit a formal bid on a given project, are received.

7.5.3 If the selection process is administered by any person other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.

7.6 Competitive Negotiation.

- 7.6.1** After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required professional services.
- 7.6.2** In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that “wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting.” In addition, any professional service contract under which such a certificate is required, shall contain a provision that “the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs”.
- 7.6.3** Should the District within twenty-one (21) days be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable then unless modified by the Board, negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most-qualified firm. If a satisfactory agreement with the second firm cannot be reached within twenty-one (21) days (unless modified by the Board to the contrary), those negotiations shall be terminated and negotiations with the third most-qualified firm shall be undertaken.
- 7.6.4** Should the District be unable to negotiate a satisfactory agreement with any of the selected firms within twenty-one (21) days (unless modified by the Board to the contrary), additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- 7.6.5** Once an agreement with a firm or individual is reached, notice of the award or intent to award, including the rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service, and by posting same in the District office for seven (7) days.
- 7.7 Continuing Contract.** Nothing in this Rule shall prohibit a continuing contract between a firm or an individual and the District.
- 7.8 Emergency Purchase.** The District may make an emergency purchase without complying with these Rules. The fact that an emergency purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

8. PURCHASE OF GOODS, SUPPLIES, OR MATERIALS

8.1 Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, as such category may be amended from time to time, shall be purchased under the terms of these Rules. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices.

8.2 Definitions.

8.2.1 “Invitation to Bid” is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity involved. It includes printed instructions prescribing conditions for bidding and evaluation criteria, and provides for a manual signature of an authorized representative.

8.2.2 “Request for Proposal” is a written solicitation for sealed proposals with the title, date, and hour of the public opening designated and requiring the manual signature of an authorized representative. It may provide general information, applicable laws and rules, statement of work, functional or general specifications, proposal instructions, work detail analysis, and evaluation criteria as necessary.

8.2.3 “Responsive Bid/Proposal” means a bid or proposal which conforms in all material respects to the specifications and conditions in the invitation to bid or request for proposal and these rules, and the cost components of which are appropriately balanced. A bid/proposal is not responsive if the person or firm submitting the bid fails to meet any requirement relating to the qualifications, financial stability, or licensing of the bidder.

8.2.4 “Lowest Responsible Bid/Proposal” means that, in the sole discretion of the Board, the bid or proposal:

- (A) Has been submitted by a person or firm capable and qualified in all respects to perform fully the contract requirements and with the integrity and reliability to assure good faith performance; and
- (B) Is responsive to the invitation to bid or request for proposal as determined by the Board; and
- (C) Provides the lowest cost to the District.

Bids may not be modified after opening. Minor variations in the bid may be waived by the Board. Mistakes in arithmetic extension of pricing may be corrected by the Board.

8.2.5 “Goods, Supplies, and Materials” which are procured by the District do not include printing, insurance, advertising, or legal notices.

8.2.6 “Purchase” means acquisition by sale, rent, lease, lease/purchase, or installment sale. It does not include transfer, sale, or exchange of goods, supplies, or materials between the District and any federal, state, regional, or local governmental entity, or political subdivision of the state.

8.2.7 “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (e.g., acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds that the delay incident to competitive bidding would be detrimental to the interests of the District.

8.3 Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following is appropriate:

- 8.3.1** The Board shall cause to be prepared an Invitation to Bid or Request for Proposal, as appropriate.
- 8.3.2** The Notice of Invitation to Bid or Request for Proposal shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of bids, unless the Board, for good cause, determines a shorter period of time is appropriate.
- 8.3.3** The District may maintain lists of persons interested in receiving notices of invitations to bid or requests for proposals. Persons who provide their name and address to the District office for inclusion on the list shall receive notices by mail.
- 8.3.4** Bids or proposals shall be opened at the time and place noted on the Invitation to Bid or Request for Proposal. Bids and proposals shall be evaluated in accordance with the invitation or request and these Rules.
- 8.3.5** The Lowest Responsive and Responsible Bid or Proposal shall be accepted; however, the Board shall have the right to reject all bids, either because they are too high or because the Board determines it is in the best interests of the District. In the event the bids exceed the amount of funds available to or allocated by the District for this purchase, the bids may be rejected. The Board may require bidders to furnish performance and/or other bonds with a responsible surety to be approved by the Board.
- 8.3.6** Notice of award or intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service, and by posting same in the District office for seven (7) days.
- 8.3.7** If only one response to an Invitation to Bid or Request for Proposal is received, the District may proceed with the procurement for goods, supplies, or materials. If no response to an Invitation to Bid or Request for Proposal is received, the District may take whatever steps are reasonably necessary in order to proceed with the procurement of goods, supplies, or materials.
- 8.3.8** The District may make an emergency purchase without complying with these Rules. The fact that an emergency purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

9. CONTRACTS FOR CONSTRUCTION OF AUTHORIZED PROJECT

9.1 Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190, Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20, Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and comply with the bidding procedures of Section 255.20, Florida Statutes, as the same may be amended from time to time. In the event of conflict between these Rules and Section 255.20, Florida Statutes, the latter shall control. A project shall not be divided solely to avoid the threshold bidding requirements.

9.2 Procedure.

9.2.1 Notice of Invitation to Bid or Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than \$500,000 must be noticed at least thirty (30) days prior to the date for submittal of bids.

9.2.2 The District may maintain lists of persons interested in receiving notices of Invitations to Bid or Requests for Proposals. Persons who provide their name and address to the District office for inclusion on the list shall receive notices by mail and/or email.

9.2.3 The Requirements to be eligible to submit a bid or proposal are that, at the time of receipt of its bid or proposal, a firm or an individual must:

- (A) Hold all required applicable state professional licenses in good standing; and
- (B) Hold all required applicable federal licenses in good standing, if any; and
- (C) If the bidder is a corporation, hold a current and active Florida corporate charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes; and
- (D) Meet any special prequalification requirements set forth in the bid/proposal specifications.

Evidence of compliance with these Requirements may be submitted with the bid or proposal, if required by the District.

9.2.4 Bids or proposals shall be opened at the time, date, and place noted on the Invitation to Bid or Request for Proposals. Bids and proposals shall be evaluated in accordance with the Invitation or Request and these Rules.

9.2.5 To assist in the determination of the lowest responsive and responsible bidder, the District Manager may invite public presentation by firms regarding their qualifications, approach to the project, and ability to perform the contract in all respects.

- 9.2.6** In determining the lowest responsive and responsible bidder, the District Manager and Board may consider, in addition to factors described in the Invitation to Bid or Request for Proposal, the following criteria as adopted by the Board for a specific project, including but not limited to the following:
- (A) The ability and adequacy of the professional personnel employed by each bidder or proposer; and
 - (B) The past performance of each bidder or proposer for the District and in other professional employment settings; and
 - (C) The willingness of each bidder or proposer to meet time and budget requirements; and
 - (D) The geographic location of each bidder or proposer’s headquarters or office in relation to the project; and
 - (E) The recent, current, and projected workloads of the bidder or proposer; and
 - (F) The volume of work previously awarded to each bidder or proposer; and
 - (G) Whether the cost components of each bid or proposal are appropriately balanced; and
 - (H) Whether a bidder or proposer is a certified minority business enterprise.
- 9.2.7** The Lowest Responsive and Responsible Bid/Proposal shall be accepted; however, the Board shall have the right to reject all bids, either because they are too high or because the Board determines it is in the best interests of the District. The Board may require bidders to furnish performance and/or other bonds with a responsible surety to be approved by the Board. If the Board receives fewer than three responses to an Invitation to Bid or Request for Proposal, the Board may, in its discretion, re-advertise for additional bids without rejecting any submitted bid. In the event the bids exceed the amount of funds available to or allocated by the District for this purchase, the bids may be rejected. Bidders not receiving a contract award shall not be entitled to recover any costs of bid preparation or submittal from the District.
- 9.2.8** Notice of the award or intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service, and by posting the same in the District office for seven (7) days.

10. CONTRACTS FOR MAINTENANCE SERVICES

10.1 Scope. All contracts for maintenance of any District facility or project shall be let under the terms of these Rules if the cost exceeds the amount provided in Section 287.017, Florida Statutes, for CATEGORY FOUR, as such category may be indexed or amended from time to time by the State of Florida Department of Management Services. The maintenance of these facilities or projects may involve the purchase of contractual services and/or goods, supplies, or materials as defined in herein. Where a contract for maintenance of such a facility or project includes goods, supplies, materials, and/or contractual services, the District may, in its sole discretion, award the contract solely per the Rules in this **Section 10** in lieu of separately bidding for maintenance, goods, supplies, materials, and/or contractual services. However, a project shall not be divided solely in order to avoid the threshold bidding requirements.

10.2 Procedure.

- 10.2.1** Notice of Invitation to Bid or Request for Proposal shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least seven (7) days for submittal of bids, unless the Board, for good cause, determines a shorter period of time is appropriate.

- 10.2.3** The Requirements to be eligible to submit a bid or proposal are that, at the time of receipt of its bid or proposal, a firm or an individual must:
- (A) Hold the required applicable state professional license in good standing; and
 - (B) Hold all required applicable federal licenses in good standing, if any; and
 - (C) Hold a current and active Florida corporate charter or be authorized to do business in Florida in accordance with Chapter 607, Florida Statutes, if the bidder is a corporation; and
 - (D) Meet any special prequalification requirements set forth in the bid proposal specifications.

Evidence of compliance with these Requirements may be submitted with the bid, if required by the District.

- 10.2.4** Bids or proposals shall be opened at the time, date, and place noted on the Invitation to Bid or Request for Proposal. Bids and proposals shall be evaluated in accordance with the invitation or request and these Rules.
- 10.2.5** To assist in the determination of the lowest responsive and responsible bidder, the District Manager may invite public presentation by firms regarding their qualifications, approach to the project, and ability to perform the contract in all respects.

- 10.2.6** In determining the lowest responsive and responsible bidder, the District Manager and the Board may consider, in addition to factors described in the Invitation to Bid or Request for Proposal, the following criteria, as adopted by the Board for a specific type of maintenance service, including but not limited to the following:
- (A) The ability and adequacy of the professional personnel employed by each bidder or proposer; and
 - (B) The past performance of each bidder or proposer for the District and in other professional employment settings; and
 - (C) The willingness of each bidder or proposer to meet time and budget requirements; and
 - (D) The geographic location of each bidder or proposer’s headquarters or office in relation to the project; and
 - (E) The recent, current, and projected workloads of the bidder or proposer; and
 - (F) The volume of work previously awarded to each bidder or proposer; and
 - (G) Whether the cost components of each bid or proposal are appropriately balanced; and
 - (H) Whether a bidder or proposer is a certified minority business enterprise.
- 10.2.7** The lowest responsive and responsible bid/proposal shall be accepted; however, the Board shall have the right to reject all bids, either because they are too high or because the Board determines it is in the best interests of the District. The Board may require bidders or proposers to furnish performance and/or other bonds with a responsible surety. If the Board receives fewer than three responses, the Board may, in its discretion, re-advertise for additional bids or proposals without rejecting any submitted bid or proposal. In the event the bids or proposals exceed the amount of funds available to or allocated by the District for this purchase, all bids/proposals may be rejected. Bidders or proposers not receiving a contract award shall not be entitled to recover any costs of bid/proposal preparation or submittal from the District.
- 10.2.8** Notice of the award or intent to award, including rejection of some or all bids or proposals, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service, and by posting the same in the District office for seven (7) days.

11. DESIGN-BUILD CONTRACT COMPETITIVE PROPOSAL SELECTION PROCESS

11.1 Scope. The District may utilize a design/build contract for any public construction project for which the Board determines that use of such a contract is in the best interest of the District. When letting a design/build contract, the District shall use the procedure of **Section 11.2**.

11.2 Procedure.

11.2.1 The District shall utilize a design criteria professional meeting the requirements of Section 287.055(2)(K), Florida Statutes, when developing a design criteria package, evaluating the responses or bids submitted by design-build firms, and determining compliance of the project construction with the design criteria package. The design criteria professional may be an employee of the District, or may be retained pursuant to **Section 7**, "Procedure Under Consultants' Competitive Negotiations Act".

11.2.2 A design criteria package for the construction project shall be developed and sealed by the design criteria professional. The package shall include concise, performance-oriented drawings or specifications of the project, and shall include sufficient information to put interested firms on notice of substantially all of the requirements of the project. If the project utilizes existing plans, the design criteria professional shall create a design criteria package by supplementing the plans with project specific requirements, if any. All design criteria packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.

11.2.3 The Board, in consultation with the design criteria professional, shall establish the standards and procedures for the evaluation of design-build proposals based on price, technical aspects, and design aspects of the project, weighted for the project.

11.2.4 After a design criteria package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited, pursuant to the design criteria, according to the following processes.

- (1) A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the County in which the District is located. The notice shall allow at least seven (7) days for submittal of proposals, unless the Board, for good cause, determines a shorter period of time is appropriate.
- (2) The District may maintain qualification information, including capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act of 1985, and other factors, on design-build firms. Such firms shall receive a copy of the request for proposals by mail.
- (3) The Requirements to be eligible to submit a bid or proposal are that, at the time of receipt of its bid or proposal, a firm must:
 - (A) Hold the required applicable state professional license in good standing, as defined by Section 287.055(2)(h), Florida Statutes; and
 - (B) Hold all required applicable federal licenses in good standing, if any; and

- (C) Hold a current and active Florida corporate charter or be authorized to do business in Florida in accordance with Chapter 807, Florida Statutes, if the bidder is a corporation; and
- (D) Meet any special prequalification requirements set forth in the design criteria package.

Evidence of compliance with these Requirements may be submitted with the bid, if required by the District.

- 11.2.5** The Board shall select no fewer than three design-build firms as the most qualified, based on the information submitted in the response to the request for proposals, and in consultation with the design criteria professional, shall evaluate their proposals based on the evaluation standards and procedures established prior to the solicitation of requests for proposal.
- 11.2.6** The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards, and shall establish a price which the Board determines is fair, competitive, and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most-qualified firm, based on the ranking by the evaluation standards. Failing accord with the second most-qualified firm, the Board must terminate negotiations. The Board shall then undertake negotiations with the third firm. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached.
- 11.2.7** After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
- 11.2.8** The design criteria professional shall evaluate the compliance of the project construction with the design criteria package, and shall provide the Board with a report of the same.
- 11.3 Emergency Purchase.** The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified design-build firm available at the time. The fact that an emergency purchase has occurred shall be noted in the minutes of the next Board meeting.

 - 12.2.4** Bids shall be opened at the time and place noted on the Invitation to Bid.
 - 12.2.5** If only one response to an Invitation to Bid is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - 12.2.6** The Board has the right to reject any and all bids, and such reservations shall be included in all solicitations and advertisements.
 - 12.2.7** Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies which have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, past performance for the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance shall be awarded to that company whose response to the Invitation to Bid best meets the overall need of the District, its officers, employees, and/or dependents.
 - 12.2.8** Notice of the award or intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service, and by posting the same in the District office for seven (7) days.

Failure to file a notice of protest (or failure to file a formal written protest) shall constitute a waiver of all further proceedings.
- 13.4 Award Process.** Upon receipt of a notice of protest which has been timely filed, the District shall stop the bid solicitation process (or the contract and award process) until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances which require the continuance of the process without delay in order to avoid an immediate and serious danger to the public health, safety, or welfare, the award process may continue.

4.4 Waivers and Reductions of Fees

The District reserves the right to waive or reduce reservation fees and/or deposits on a case-by-case basis, and shall accomplish this by a motion of the Board of Supervisors at a publicly advertised meeting.
