The term of office of any Director elected to fill a vacancy created by the resignation of his predecessor shall be the balance of the unserved term of his predecessor. The Members may also transact such other business of the Association as may properly come before them.

The affairs of the Association shall be managed by a Board initially consisting of three (3) directors. ~~The number of members may be increased or decreased from time to time by amendment to these Bylaws; provided, however, the established number of Board members shall always be an odd number. In the event that the number of members of the Board of Directors is changed, such change in number shall be implemented in such a manner as to have as nearly equal in number as possible the number of directors whose terms expire in any given year. All directorships shall expire during any given three (3) year period.~~

5.2 Term of Office. As provided in the Articles, the Members shall elect the directors for terms of one (1) year each. Each director shall hold office for the term for which he is elected and until his successor shall have been elected and qualified or until his earlier resignation, removal from office or death.

5.3 Removal. Any director may be removed from the Board, with or without cause, by a majority vote of the Members. In the event of death, resignation or removal of a director, his successor shall be selected by the remaining Members of the Board and shall serve for the unexpired term of his predecessor.

5.4 Directors' Fees. Directors shall serve without compensation or fees; provided, however, nothing herein shall be deemed to prevent reimbursement of out-of-pocket expenses approved by the Board and incurred on behalf of the Association.

5.5 Election. Election to the Board of Directors shall be by written ballot as hereinafter provided. At such election, the Members or their proxies may cast, in respect of each vacancy, as many votes as they are entitled under the provisions of the Articles. The names receiving the largest number of votes for each vacancy shall be elected.

5.6 Nominations. Nominations for election to the Board of Directors shall be made by a Nominating Committee which shall be one of the standing committees of the Association.

5.7 Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two or more Members of the Association. The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each such annual meeting.

5.8 Duties of Nominating Committee. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Such nominations may be made from among Members or other persons, as the Committee in its discretion shall determine. Separate nominations shall be made for each vacancy to be filled. Nominations shall be placed on a written ballot as provided in Section 5.9 and shall be made in advance of the time fixed in Section 5.9 for the mailing of such ballots to Members.

5.9 Ballots. All elections to the Board of Directors shall be made on written ballot which shall: (a) describe the vacancies to be filled; (b) set forth the names of those nominated by the Nominating Committee for each such vacancy; and (c) contain a space for a write-in vote by the Members for each vacancy. Such ballots shall be prepared and mailed by the Secretary to the Members at least fourteen (14) days in advance of the date set forth therein for a return (which shall be a date not later than the day before the meeting at which the vote is to be taken).

5.10 Ballots. Each Member entitled to vote shall receive one ballot which shall indicate thereon the number of votes which may be cast by such Member. The completed ballots shall be returned as follows: Each ballot shall be placed in a sealed envelope marked "Ballot" but not marked in any other way. Each such "Ballot" envelope shall contain only one ballot, and the Members shall be advised that, because of the verification procedures of Section 5.11, the inclusion of more than one ballot in any one "Ballot" envelope shall disqualify the return. Such "Ballot" envelope shall be placed in another sealed envelope which shall bear on its face the name and signature of the Member or his proxy, the number of ballots being returned, and such other information as the Board of Directors may determine will serve to establish such Member's right to cast the vote or votes presented in the "Ballot" or "Ballots" contained therein. The ballots shall be returned to the Secretary at the address of the Association.

5.11 Election Committee; Counting of Ballots. Upon receipt of each return, the Secretary shall immediately place it in a safe or other locked place until the day set for the meeting at which the elections are to be held. On that day, the unopened external envelopes containing the "Ballot" envelopes shall be turned over to an Election Committee which shall consist of three (3) members appointed by the Board of Directors. The Election Committee shall then:

(a) establish that external envelopes were not previously opened or tampered with in any way; and

(b) open the external envelopes to establish that the number of envelopes therein marked "Ballot" corresponds to the number of ballots allowed to the Member or his proxy identified on the external envelope; and

(c) confirm that the signature of the Member or his proxy on the outside envelope appears genuine; and

(d) if, the vote is by proxy, determine that a proxy has been filed with the Secretary.

Such procedure shall be taken in such manner that the vote of any Member or his proxy shall not be disclosed to anyone.

The opened external envelopes shall thereupon be placed in a safe or other locked place and the Election Committee shall proceed to the opening of the "Ballot" envelopes and the counting of the votes. If any "Ballot" envelope is found to contain more than one ballot, all such ballots shall be disqualified and shall not be counted. Ballots shall be retained for such period of time after the election as shall be deemed prudent by the Board of Directors.
